Planned giving. A legacy of enduring support.

Public Libraries are unique American institutions that promote the ideals of democracy and opportunity.

Gifts of all sizes have made important contributions to our public library and include the purchase of Indiana Room materials, a new bookmobile, as well as a gift of \$620,000 which purchased the site for the library building on Kirkwood Avenue in 1966. Please let us know if you are interested in discussing options for including the library in your investment or estate plans.
