Managing My Account

? Logging in

A Monroe County Public Library card is required to use My Account. You don't need to log in to My Account to look for items in the Library Catalog (but it's a good idea?logging in gives you access to lots of handy additional Catalog features).

? Forget your PIN?

At the time you received your Library card, we may have recommended choosing the last four digits of your phone number as your PIN. If this four-digit number doesn't work, please contact [Library](#) for assistance.

You may continue to log in to My Account using your barcode number and PIN, or you may **create your own username and password**.
