## Acknowledgements

This project is part of the [Indiana Memory Digital Library](#) and is made possible by a grant from the [U.S. Institute of Museum and Library Services](#) under the Library and Services and Technology Act as administered by the [Indiana State Library](#).

Indiana Memory

The following individuals contributed time for researching, transcribing, scanning, and indexing and, on top of that, accomplished these tasks within a very short window of time allotted by this unique grant. We are extra grateful for their timely humor and enthusiastic support:

Martha L. Fox, William (Bill) K. Fox, private donors.
