Why did you decide to read this book? Did a friend suggest it? Did it have an interesting cover?:

I decided to read this book because it had an interesting title, "Can You Get an F in Lunch?"

What is the story about?/What happened in the story?:

Its about this girl, Jenny, and it is her first year in middle school. Her BFF from Elementary School completely ditched her by not saving a seat in lunch and being mean to her. She became a Pop (such as popular) and became mean to everyone including her. Now she's all alone until she found new and nice friends.

Why did you like this story? or Why did you not like this story?:

I get to see how middle school is like. I see that this is the time when you get to know your real friends.

Other thoughts or feelings about this story? Anything else to add?:
