Why did you decide to read this book? Did a friend suggest it? Did it have an interesting cover?:

I decided to read this book because I read the first book *The Fire Within*. the first book really hooked me on this series. No, a friend did not suggest it. I was looking around the Main Library and i found this and read the back cover and was exited to read it. Yes, I have an interest on the cover. It was interesting because it looks like a dragon crying a tear, but there is fire inside the tear.

What is the story about?/What happened in the story?:

the story is about David, Liz, and Lucy finding out who is Lorel.

Why did you like this story? or Why did you not like this story?:

I loved this story because it has a lot of cliff hangers to leave you guessing " what is going to happen next?" There are no bad things in this story for my taste. It will make you not put down this book. It is a real page turner.
