Title:

City of Bones

Author:

Cassandra Clare

Genre:

fantasy

Write a review of the book, including plot points, if you wish:

An excellent book full of fantasy, adventure, and romance, and well written. The unique plotline captures the reader's attention as well, and sets it apart from other normal fantasy books.

Definitely a good read.

Similar authors or titles?:

This book is part of a series called The Mortal Instruments and also includes City of Ashes and City of Glass.

Would you recommend this book?:

Definitely a good book for those interested in fantasy. Well written, with excellent development of characters.
