**Write a review of the book, including plot points, if you wish:**

Jimmy was killed on a night causing his little sister, Mina, and little brother, Tito, to have to witness his death. His younger brother was followed by the guys who killed Jimmy. Those guys repeatedly claimed they were not the ones who killed Jimmy, even though Tito knew they were. Tito also had a person who was supposed to be his friend ran up to him and took his backpack on his way to walking his little sister top school. When he received backpack, just a few minutes later, He looked in it and there was a gun, but before he could say anything the kid was gone. In the end, the Tito set the guys up and they were caught by the police.
