The Fashion Disaster That Changed my Life

**Author:**

Lauren Myrcle

**Genre:**

romance

**Write a review of the book, including plot points, if you wish:**

In this book a girl goes through 7th grade trying to become popular. But somewhere along the lines she meets the wrong people and ditches here real friends. She has a big mess on here hands and she has to fix it. When you pick it up its hard to put it down. That is why I finished it in one evening.

**Similar authors or titles?:**

11,12,13 Alyssa Burgman

**Would you recommend this book?:**

Yes but it doesn't take that long to read so if you like long books I would not.
