**Write a review of the book, including plot points, if you wish:**

The Son of Neptune is about a boy named Percy Jackson is at another camp for Romans, and doesn't remember anything except the name Anabeth. I would read this book soon because he also meets new people, and also meets old people he knew, too.

**Similar authors or titles?:**

The Lost Hero by Rick Riordan.

**Would you recommend this book?:**

Yes, I would recommend this book to anyone who loves greek mythology as much as I do. First book of the Heroes of Olympus series is The Lost Hero. Second book is The Son of Neptune. The third book is coming out soon.
